🗨️ : Oh, actually my monthly income is 1,20,000

🤖 : Thank you for sharing that information, Piyush. It's important to have accurate details for this process. Now, could you tell me about your dependant family members? For example: "I have a spouse and two children" or "I am single but I have my parents depending on me".

👤 : 30,000

🤖 : I'm sorry, Piyush, but based on the details provided, we will not be able to provide a policy. This is due to the financial criterion that the total annual income must be equal to or more than Rs. 10,00,000. If your situation changes in the future or if you think there was a misunderstanding, we would be more than happy to assist you again.

🤖 : Thank you for confirming that, Piyush. Now, I would like to know if you have consumed tobacco in any form in the last 1 year? Please answer with either "Yes" or "No".
